

Potential Eagle Projects in Matinecock District, Suffolk County Council

First, consider your present school, as well as past schools. Also consider your house of worship, if you attend one. If you are already 17 years old, you should definitely avoid any project that requires a complicated approval process, such as towns, counties, NY State, or other governmental agencies.

Here are a few beneficiaries in the Matinecock District that are almost always looking for new projects:

You should attend a Life-To-Eagle (LTE) talk before you start a project. One is held nearly every month. Contact David Hunt, District Advancement Chair at 631 754-2767, or email to CoachHunt@EagleCoach.org for the next scheduled Matinecock District LTE.

Two good resources for projects are the website, EagleCoach.org and <https://eagleprojects.boyslife.org/>
